President's Message

Wow, another month is nearly past! Thank you to everyone who participated in the 'Colour Challenge'... Viewers' Choice goes out to Shirley Feldman, Cheryl Lloyd and Lucie Lachaine for their creative pieces. Our next challenge is a seasonal delight, Tree Skirts, big or small, bring them all to the December meeting. Thanks to Brenda for her demonstration on Mola and Cheryl for providing examples of traditional Mola work.

Several members headed to Bracebridge on October 24th for the Interguild meeting hosted by *Pine Tree Quilters' Guild of Muskoka*. The agenda was full from start to finish, with a great lunch and lots of quilts and quilting ideas to inspire and share. We will have a report at our November 3rd guild meeting. The tradition of "Passing the Bird" was the last act of the day, when we received the official 'bird' and binder to begin our journey in planning the next Interguild meeting for April 10, 2010. We will be asking for members to join the planning committee, as well as volunteers as the day approaches.

We now have a programming committee, who are hard at work planning for the months ahead. Some of the activities they are working on are guest speakers, a shop hop/bus trip and a wallhanging that incorporates a variety of techniques. If you have suggestions for upcoming program activities, please let us know.

See you soon...

Senora ☺

Vice-Presidents Message

I am sorry to say that Heather Doane has been quite ill recently and is not able to continue in her capacity as Newsletter Coordinator. I want to extend our best wishes to Heather and hope she is feeling better soon. Thanks Heather for doing a great job with the Newsletter!

I want to remind our members to keep in mind that elections are coming up in March. I hope to see some new faces on executive for our fifth year...has it really been five years?

Looking forward to seeing you all next week at our November meeting,

Brenda
